DISTRICT GOVERNOR CORNER

As

the Thanksgiving Holiday approaches, I hope everyone can take a moment to be thankful for our family, friends and our club members. I am so fortunate to have met so many great lions and continue to meet more as I make my club visits. Let's hug one another, love another, and share what we have. May all of you have a very blessed Thanksgiving!

DISTRICT GOVERNOR JUDY KELLER

Governor's Letter

96%! That is the where we stand in reporting service activates. It won't be long and we will be hitting 100% of the clubs reporting their service projects. The projects that you have been doing are adding so much to your communities and making a difference. When you are out in the community doing a project, ask one person if they would like to help make a difference. You might be surprised how many will say yes. We are also adding new members. Thank you to all clubs on working hard to increase our numbers. We still are a negative number in growth, but I know we will be on the positive side before long. Clubs have been asking how they can help with the hurricane relief efforts. The easiest way is to donate to LCIF and designate to go directly the area where you want it to go. This is why it is important to donate to LCIF so that we can better help our communities. More service projects mean more members which in turn leads to more service and that is what we do as LIONS!

Have a great November. .

District Governor Judy Keller

2ND VICE DISTRICT GOVERNOR / MEMBERSHIP CHAIR TIM DIETZEL

Hello fellow Lions Members

I hope this short message finds you all doing well.

I want to express the importance of adding new members to your club. New members are the key to club successes. There are people out there that are waiting for someone to ask them to get involved. The idea of this is to improve your community no matter what type of community you live in. Lions goal is to help people in need. (Where there is a need there is a Lion.) New members have fresh ideas and should be listen to. New members also, have new contacts they can recruit other new members. Neighbors spouses, and friends. THEY ARE THE MOST IMPOERTANT MEMBERS in your club. You must also remember to embrace their expertise.

Treat members with kindness and compassion.

HERE IS A GREAT OPPORTUNITY FOR LIONS THAT OWN A BUSINESS

For just \$120.00 per year, you can list your business in our Monthly newsletter in a new section called Lions for Lions supporting our Lions.

Shopping local is very helpful to our local economies and many of our Lions are business people of all types and are generally very supportive of their local Lions Clubs.

We will have general categories and as we grow this new project try to be creative in the content and look of the page. By chance if your club doesn't have any business owners but you have a favorite supporter, we can add them as well. I suggest assigning a member to look into this great opportunity to advertise and support the district

We want to get this started by the December newsletter but if you act fast we can start in November. You get the roster manual and the newsletter. Newsletter keeps on given every month. Take advantage of District 11 D-2.

Contact IPDG Jim White (jameswhite@mobilityremodelers) or Editor Bruce Bronson (bebronson79@gmail.com) for information.

This was done in conjunction with the Memphis Schools. Teachers were in class when the upper classmates quizzed the fifth graders about the constitution.

Memphis Lions Clubs also, hosted a chili cook-off and Trunk or Treat for HalloWe had many entries and lots of tasters for our second annual event. We even made a small profit considering we served free hot dogs, pop and hot chocolate. Looking forward to next year's event with a few changes. Instead of chili, it will be a SOUP COOKOFF, with anything pumpkin for dessert. This is a wonderful community event for kids and adults at Halloween.

PORT HURON HOST LIONS PEDIATRIC CANCER PROJECT

The Port Huron Host Lions had a spaghetti dinner on 10/17 to assist the District 11D2 Pediatric Oncology Project. We had a young pediatric oncology patient, Eli, now age 19, and his family, attend the dinner. Eli's parents addressed those attending and took us through the journey of how young Eli spent most of his young years at DMC Children's Hospital Pediatric Oncology Unit and how important these donations were to Eli and his family as they basically lived out of their car for years as Eli received treatments at Children's Hospital. Eli is now cancer free. The Port Huron Host Lions collected \$2000 in dinner ticket sales and donations with the Port Huron Host Lions adding an additional \$1000 for a total cash donation from Port Huron Host Lions to the project of \$3000. To top that off, that very week, District 11D2 also donated an additional \$3000 from their Pediatric Cancer Fund to the project. To date the project has received an abundance of items donated from the Amazon wish list from Lions across the District as well as the community at large. Donations are being collected through Thanksgiving and will be presented at Detroit Children's Hospital and CS Mott Children's Hospital Pediatric Oncology Units on Monday, 12/2. Any Lions wishing to attend are welcome!

READING ACTION PLAN

How Long Do You Want to Live? This is the question for this month.

People who make time for reading may enjoy a longer life, which they can use to do even more reading. A Yale University study discovered that book readers were 20% less likely to die over the 12 years of research compared to non-book readers. This study indicated that books were more beneficial for longevity than magazines and newspapers. For me, I would like to live as long as possible. I have found that reading a book will take me to more places of adventure. Compared to just reading news articles or magazines may not have the same effect on you. Quick read articles seem to not have that long lasting impression on you as compared to a book. The holidays are fast approaching us and our minds will be going in a million directions. Settle the mind down and enjoy total body comfort with an interesting book. There are a lot of books with adventures in Thanksgiving and Christmas. Come on now, give it a try.
